

TROOP 137 YOUTH PHOTO RELEASE FORM

THE LEGAL DESCRIPTION:

TALENT RELEASE AGREEMENT

I hereby assign and grant to the local council and the Boy Scouts of America the right and permission to use and publish the photographs/film/ videotapes /electronic representations and/or sound recordings made of my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication.

I hereby authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage, and/or distribution of said photographs/ film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of the Boy Scouts of America, and I specifically waive any right to any compensation I may have for any of the foregoing.

The Translation and reason we are asking for this:

Several leaders in Troop 137 take and post photographs of the scouts on the Troop website (www.t137.org), and/or personal photo web sites (picasa, flickr, facebook, etc) for viewing by the troop members and families. As a parent, you have the right to restrict the release of your child's image to the public at large. We NEVER list a scout's last name with a picture, and typically do not even show first names. If you would like us to keep your scout's image from being published (and have it removed from any existing publically accessible photo album), check off the "NO" box below. However, be aware that we will also try our best to avoid including him in pictures and may ask him to step out of group shots during events so we can publish pictures of the other scouts.

NO, you may not use my child's image. Please remove it from any public website and exclude him from any group photos that may be published.

YES, the Boy Scouts of America, the local council, Troop 137, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity may use my child's image.
